

“Living in God’s Time”

The seasons of the church year focus on the life, death, and resurrection of Jesus. Our society tends to focus on us, but following God’s time enables us to focus on others, and what God has done for us. Come celebrate Christmas, Easter, and Pentecost in August! At VBS, kids will have the opportunity to learn about stories in the Bible relating to these seasons and understand how God’s time feeds and energizes us to live in our time.
